Prayer for the People of Japan

We turn to our faithful God in this time of natural disaster and devastation.

We join our prayers to the prayers of others throughout the world, for the victims of the earthquake in Japan and tsunami which this week has brought destruction and disaster to many lives around the world.

Almighty God, we pray You, send healing to the injured, comfort to the bereaved, and news to those who sit and wait. May You be with those who even now are engaged in the work of rescue. May You send Your strength to those who are striving to heal the injured, give shelter to the homeless, and bring food and water to those in need. May You bless the work of their hands, and may they merit to save lives.

Almighty God, we recognize how small we are, and how powerless in the face of nature when its full power is unleashed. Therefore, open our hearts in prayer and our hands in generosity, so that our words may bring comfort and our gifts bring aid.

Be with us now and with all humanity as we strive to mend what has been injured and rebuild what has been destroyed.

All powerful God, hear us in our prayer.

Give us the grace to walk forward each day in faith, hope and with great love. May we pattern our lives and place our trust in your Son, Jesus Christ, who is Lord forever and ever.

Amen.
